Quality Homes We Build For all Nations

www.tradessolutions.ca

We can customize this house according to your needs. We can easily add an extra bedroom, expand or narrow the house, reverse the plan or even add a whole floor.

We offer an optional 10-year warranty on every one of our homes, giving our customers the peace of mind they deserve.

We recycle 90% of our material waste and continually look for new opportunities to save even more.

Take advantage of our special offers on ready to move homes and built on site homes, cottages, garages and sheds.

Offers change seasonally and are available for a limited time only, so contact us today for more information.
